

It's time to model excellence in behaviour in such a way that the child knows no other way to behave. Sit with your child and make a list of things they must do everyday, along with consequences.

I.

- a. One hour of physical activity like running, jogging, swimming or any kind of sports.
- b. Eat some healthy food like dry fruits, dates and fresh fruits.
- c. Drink 6 to 8 glasses of water.
- d. Learn 5 new words of English, Hindi and Telugu.
- e. Write the journal before going to bed.
- f. Study 4 to 5 hours everyday.
- g. Please ensure that they follow this list everyday – inculcate appropriate T.V. time or time spent with electronic gadgets.
- h. Give them responsibilities like taking care of plants, keeping their room tidy and make them answerable for it. Encourage compulsory organic farming.
- i. Engage them in some activities like dance, music, art or sports of their interest.
- j. Encourage them to read good books.
- k. Allow them to help you in cooking, let children learn to make some healthy snacks.
- l. Discuss and model healthy relationship skills like Empathy – visit an orphanage or a home for the aged.

Please introduce the art of blessing in your life. Bless your children everyday to overcome their weakness.
